CanIt-PRO Commercial Pricing Schedule (USD)   08/01/04
Effective August 1, 2004

The cost depends on the number of mailboxes you are protecting and the plan you select:

Annual License:

$5.00/user/year up to 200 users (minimum $750)   (0-200 users)
$3.00/user/year for the next 300 users   (201-500 users)
$2.00/user/year for the next 500 users   (501-1000 users)
$1.67/user/year for the next 24000 users   (1001-25000 users)
$1.50 for each subsequent user   (25000+ users)

Support is included with each year' s purchase.

Perpetual License:

$8.33/user up to 200 users (minimum $1500)   (0-200 users)
$5.00/user for the next 300 users   (201-500 users)
$3.33/user for the next 500 users   (501-1000 users)
$2.78/user for the next 24000 users   (1001-25000 users)
$2.50 for each subsequent user   (25000+ users)

1st year support included. Subsequent year support is available at 20% of purchase price, per year.

Both plans:

If you exceed the usage by 10% or less, you only need to purchase extra licenses on each anniversary of the original purchase.

If you exceed the usage by more than 10%, you have 60 days to purchase extra licenses.

Support includes 10 hours or 10 incidents of e-mail and telephone support, and you also receive free upgrades when newer versions of CanIt are released.

Fixes for serious bugs or security problems are always free.

All prices are quoted in US dollars.
